

Chocolate dare-devils: test your limit

It seems even hard-core chocolate connoisseurs balk at the idea of nibbling on a 99% cacao bar. A bar this dark ensures a healthy dose of antioxidants, but you definitely need a robust palate to pucker up for what is an adventure into the ancient mysteries of cacao.

To support you in taking the plunge, Xocolat Amante is offering two great deals on **Michel Cluizel Infini 99%**, available only while stocks last:

www.xocolatamante.com.au

*Simply sign up 3 or more friends to the Xocolat Amante website before the end of February and you will receive a complimentary 99% Infini bar **

OR

Purchase more than \$25 worth of chocolate from the Xocolat Amante online Chocolate Shop and you will receive a complimentary 99% Infini bar.

* Email admin@xocolatamante.com.au the names of each friend. Once their registration is confirmed in the system we will notify you and send your Infini gift. Please sign in to check the mailing address you have supplied us is current.

Promo ends 29th of February 2008
